

Renaissance Academy Charter School of the Arts Summer of STEAM

June 15, 2017

Dear Parents/Guardians,

We are so excited to offer Renaissance Academy Charter School of the Arts Summer of STEAM! This summer, 60 students in grades 2-4 will join our instructional and arts integration teachers for 4 weeks of amazing learning and fun as we focus on the theme "Rocketry."

As a reminder:

- **Program Dates: Monday- Friday, July 17- August 11, 2017**
- **8:00-3:00 pm**
- **Breakfast, Lunch and Snacks served daily**
- **Transportation provided- must be consistent pick up/drop off Monday-Friday**

It's very important your child regularly attends this program. More than three absences will result in a child being excused from the program. Please inform us of any vacations you may have scheduled so we may plan accordingly.

Positive behavior is expected throughout the four week program. Behaviors that impact the safety and wellness of students, staff or disrupt learning will not be tolerated and will result in a student's removal from the program.

Please complete the attached form and return to school by **Thursday, June 22, 2017**. This is very important as we need this information for transportation purposes and in the case of an emergency.

Thank you and we wish you all a safe and happy summer!

Jacqueline Simpson
