ANNUAL TRANSPORTATION REQUEST NON-PUBLIC SCHOOL TRANSPORTATION

Submit by April 1st to:
2678 Nichols Street, Spencerport, NY 14559
FAX to 585-349-5018
www.spencerportschools.org

The New York State Education Department deadline to **renew or apply** for transportation services to a non-public school program is April 1, 2017 for the 2017-18 school year. The New York State Education Department **mandates the renewal and the application deadline**. Applications received after April 1, 2017 are subject to eligibility and **may be denied**. A copy of the application shall be submitted to the transportation office no later than April 1, 2017. Applications should not be sent to the school of attendance. This application shall be completed even if the student currently utilizes Spencerport services for the 2016-17 school year.

Parents of new students with Spencerport Schools, shall register the students at the Spencerport Administration Building to receive support services, including transportation. Parents for new students applying may call the registrar's office at 349-5114. Parents renewing current students may send the application directly to the transportation office.

This application process is established to facilitate the safe and efficient transportation for students who attend approved non-public school programs throughout Monroe County. By law, services provided for Spencerport district students shall be provided to non-public school students who legally reside within the school district boundaries. The Spencerport School District will observe **four** early dismissals offered to grades **K through 5** and **two** early dismissals to grades **6 through 8**. Therefore, the non-public school administrator may request transportation for students for their own early dismissals up to **four dates for K-5** or **two dates for 6-8**. These requests must be submitted to and be approved by the Spencerport Director of Transportation or designee. The student's legal residence must be located in the Spencerport Central Schools attendance zone and within a 15-mile distance from the school of their attendance.

Depending on the school program hours, location of the school and other school programs served by our district, the timing of the transportation may exceed 1 ½ hours in each direction. We will make every effort to ensure the ride does not exceed 2 hours in each direction.

If you have any questions, please contact the transportation office at 349-5180. Thank you for your prompt response to this request for transportation services.

Sincerely,

Spencerport Central Schools Transportation Department

Revised 8/2/2016

Our Mission is to educate and inspire each student to love learning, pursue excellence and use knowledge, skills and attitudes to contribute respectfully and confidently to an ever-changing global community.
